

Introducing Responsible Travel

With over 6,000 extraordinary holidays across 190 countries Responsible Travel has one of the UK's widest selections of adventurous holidays. It offers small group adventures, tailor made journeys and centre based holidays. Holidays are crafted by expert partners to give you a richer experience and are designed to support local communities and nature. Responsible Travel carefully handpicks who we work with, and many trips can only be easily be found there.

Holidays include everything from painting to yoga, cycling to cultural touring. It has over 1,500 wildlife holidays (from big five safaris to butterfly holidays), over 1,100 walking trips (from gentle walking in Spain to long distance walking trails), 450 family adventure holidays and small ship cruises exploring the coast of Croatia to the Arctic.

John Muir Trust Members can use our £100 off voucher on virtually all of the holidays on our website - only a few accommodations are excluded.

To book, you can:

- Browse the Responsible Travel website responsibletravel.com and find a holiday that you like and make an enquiry directly from the holiday page

Responsible Travel and the John Muir Trust

The John Muir Trust is a natural fit with Responsible Travel's own ethos as a travel brand. We are also founded on a commitment to nature – and how responsible visitors can access wild places.
